## Work Experience

US Citizenship & Immigration Services [ Wash, DC ] Feb 2020 – present  
IT Specialist (Application Software), Refugee and Asylum Program

→ Develop features in agile environment using methodologies such as TDD and pair programming using React, TypeScript, and Ruby on Rails.

Hobsons [ Arlington, VA ]

April 2018 – Jan 2020

JavaScript Developer, Naviance (College & Career Readiness Solution)

→ Fixed bugs & built features in bi-weekly sprints (scrum & kanban).

→ Developed UI components using technologies such as React, Redux, vanilla JavaScript (ES6), Emotion (css-in-js), PHP, Flow, and TypeScript.

→ Wrote unit and automation tests (Jest, Enzyme, React Testing Library, Cypress, PHPUnit); fixed and created data seeds for Capybara automation.

→ Fixed accessibility bugs to meet WCAG 2.0 compliance under tight deadline (200 issues in 3 months), working with Designer as necessary.

→ Deployed code to production using Jenkins and monitor error rates using tools such as New Relic and Sentry.io after deployments.

New York University [ New York, NY ]

Mar 2015 – Nov 2017

Outreach Administrator, Kevorkian Center for Near Eastern Studies

→ Developed a new partnership with the NYC Department of Education by successfully obtaining professional accreditation for four intensive teacher training programs, increasing new audience base by 35%.

→ Managed all aspects of professional development programs for k12 educators, including curation of topics, speaker selection, and budget.

→ Migrated website in cooperation with the NYU FAS Communications team.

→ Designed a variety of publicity materials using Adobe Illustrator.

American Turkish Society [ New York, NY ]

Oct 2013 – Mar 2015

Program Officer

→ Conceptualized arts, business, policy, and networking events; identified speakers and sponsors; negotiated contracts with vendors and venues.

→ Contributed to two New York Turkish Film Festivals, a program with an audience of over 1200. Main responsibilities included managing 20+ volunteers, managing event & venue logistics, and obtaining sponsorships.

→ Managed all of The Society's varied grants and scholarships programs.
